# TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State qualified to vote in Town affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the Thirteenth day of March next, at eight of the clock in the forenoon (Polls close at 6:00 p.m.) to ballot for Town Officers and other questions required by law to be decided by ballot. Pursuant to the authority of RSA 39:2-a and the vote of the Town on March 10, 1970, all business other than ballot questions will be recessed until 7:00 p.m., Tuesday, March 20, 1984 at Peterborough Elementary School, to act upon the following subjects:

**Article 1.** To choose all necessary Town Officers for the year ensuing. (By Ballot)

**Article 2.** To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

**Article 3.** To see if the Town will vote to accept legacies and gifts to the Town in Trust or otherwise by any individual or individuals, or take any other action relating thereto.

**Article 4.** To see what sum of money the Town will vote to raise and appropriate for Town Office, Town House, Legal Expense, Street Lighting, Water Charge, Patriotic Purposes, Vital Statistics, Local Planning, Board of Adjustment, Conservation Commission, Supervisors of Checklist, Highway Summer, Highway Winter, Public Works Summary, Highway Garage, Police Department, Fire Department, Ambulance, Library, District Court, Health & Welfare Department, Parks, Recreation Department, Solid Waste, and for any other charge arising within the Town.

**Article 5.** To see if the Town will vote to raise and appropriate the sum of Two Hundred Forty-Four Thousand Two Hundred Sixty Dollars (\$244,260.00) for the paying of the Town debt and interest, or take any other action relating thereto.

**Article 6.** To see what sum of money the Town will vote to authorize the Selectmen and Town Treasurer to borrow in anticipation of collection of taxes for the current municipal year and to issue in the name and on the credit of the Town negotiable notes therefore, said notes to be paid in the current municipal year and to raise and appropriate a sum not to exceed Twenty-Six Thousand Dollars (\$26,000.00) to cover the interest on the notes, or take any other action relating thereto.

**Article 7.** To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set offs against budgeted appropriations for the following priority purposes and in the amount indicated, or take any other action relating thereto:

| APPROPRIATION         | AMOUNT             |
|-----------------------|--------------------|
| Public Works          | \$23,592.00        |
| Police Department     | 11,072.00          |
| Fire Department       | 3,237.00           |
| Library               | 4,562.00           |
| Recreation Department | 5,755.00           |
| Solid Waste           | 2,758.00           |
| <b>TOTAL</b>          | <b>\$50,976.00</b> |

**Article 8.** To see if the Town will vote to accept and use from the State of New Hampshire approximately Sixty-Eight Thousand Fifty-Four Dollars and Sixty-Nine Cents (\$68,054.69) in Highway Subsidy moneys restricted to highway construction or reconstruction, or take any other action relating thereto.

**Article 9.** To see if the Town will vote to raise and appropriate the sum of Forty-Five Thousand Dollars (\$45,000.00) to purchase a dump truck and plows for the Department of Public Works, or take any other action thereto.

**Article 10.** To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Five Hundred Dollars (\$13,500.00) to purchase a one ton dump truck for the Department of Public Works, or take any other action relating thereto.

**Article 11.** To see if the Town will vote to raise and appropriate the sum of Five Thousand Seven Hundred Twenty-Five Dollars (\$5,725.00) to purchase a tractor for the Department of Public Works, or take any other action relating thereto.

**Article 12.** To see if the Town will vote to raise and appropriate the sum of Nine Thousand Five Hundred Dollars (\$9,500.00) to replace a 1982 Ford police cruiser, or take any other action relating thereto.

**Article 13.** To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand Three Hundred Fifty Dollars (\$14,350.00) to repair the roof at the Fire Station, or take any other action relating thereto.

**Article 14.** To see if the Town will vote to raise and appropriate the sum of Forty-Eight Thousand Dollars (\$48,000.00) to purchase and demolish the Downing property, or take any other action relating thereto.

**Article 15.** To see if the Town will vote to raise and appropriate the sum of Three Thousand Two Hundred Dollars (\$3,200.00) provided the Library Trustees appropriate Four Thousand Dollars (\$4,000.00) from Library Trust Funds for the repair of the Eben Jones wing roof (1957 addition) of the Peterborough Town Library, or take any other action relating thereto.

**Article 16.** To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000.00) to complete the engineering plan at the landfill to comply with the State Solid Waste Districting Law, or take any other action relating thereto.

**Article 17.** To see if the Town will vote to acquire through the Conservation Commission (under the authority of RSA 36-A) approximately 21½ acres of land on Old Street Road and Cheney Avenue for conservation purposes, and being Lot #8, all as shown on plan entitled "Plan of Land of Jean F. Favre Land, Western Section, Cheney Avenue and Old Street Road, Peterborough, N.H." dated June 29, 1983, revised August 30, 1983, prepared by William A. Bean, Jr., Licensed Land Surveyor, for a price of Sixty Thousand Dollars (\$60,000.00), provided a portion of said purchase price is obtained from the Federal Land and Water Conservation Fund (if available) and the balance or all of said purchase price is donated to the Conservation Commission; and further that the Board of Selectmen and/or the Conservation Commission be authorized to apply to the appropriate State and Federal Agencies to obtain funds from the Federal Land and Water Conservation Fund, or take any other action relating thereto.

**Article 18.** To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to employ an electrical engineer to make an electrical master plan for Adams Playground, or take any other action relating thereto.

**Article 19.** To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000.00) for certain improvements at Adams Playground, or take any other action relating thereto.

**Article 20.** To see if the Town will vote to authorize the Selectmen to appoint a committee of five to investigate the dangers and probabilities of ground water contamination and the feasibility of extending the town sewer system to the developed areas of the Town as recommended in the Master Plan and further to explore the various alternatives of paying for such extensions, and report back to the 1985 Town Meeting, or take any other action relating thereto.

**Article 21.** To see if the Town will vote to raise and appropriate the sum of Nine Thousand Five Hundred Dollars (\$9,500.00) to construct a pedestrian walk along the abandoned railroad bed from the Basket Shop to Noone Falls, or take any other action relating thereto. (By Petition)

**Article 22.** To see if the Town will vote to raise and appropriate the sum of Three Thousand Six Hundred Seventy-Two Dollars and Seventy-Five Cents (\$3,672.75) for the Monadnock Family and Mental Health Service, or take any other action relating thereto. (By Petition)

**Article 23.** To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand Five Hundred Eighty-One Dollars and Forty-Four Cents (\$14,581.44) for the Monadnock Community Visiting Nurse Association Inc., or take any other action relating thereto. (By Petition)

**Article 24.** To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300.00) for the support of the Monadnock Region Association, or take any other action relating thereto. (By Petition)

**Article 25.** To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred Dollars (\$1,200.00) for the support of the Monadnock Community Day Care Center, or take any other action relating thereto. (By Petition)

**Article 26.** To see if the Town of Peterborough shall call upon the Governor and Executive Council, its State Representatives(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Peterborough, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire, or take any other action relating thereto. (By Petition)

**Article 27.** To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed, or take any other action relating thereto.

**Article 28.** To transact any other business that may legally come before this meeting.

Given under our hands and seal this Twenty-Seventh day of February, in the year of Our Lord Nineteen Hundred Eighty-Four.

CERTIFIED  
PUBLIC ACCOUNTANTS

To the Board of Selectmen of the  
Town of Peterborough:

We have examined the financial statements (as indexed in the Table of Contents) of the Town of Peterborough for the year ended December 31, 1983. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of the Town of Peterborough as of December 31, 1983, and the results of the financial transactions for the year then ended in conformity with generally accepted accounting principles applicable to government entities applied on a basis consistent with that of the preceding year.

Our examination has been made primarily for the purpose of forming the opinion stated in the preceding paragraph. The data contained in Schedules 1 to 3, inclusive, of this report, although not considered necessary for a fair presentation of financial position, results of operations and changes in financial position in conformity with generally accepted accounting principles, are presented for supplementary analysis purposes. These data have been subjected to the audit procedures applied in the examination of the basic financial statements. In our opinion, the data are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

TOWN OF PETERBOROUGH  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 1983

1. Summary of significant accounting policies:

The accounting policies of the Town of Peterborough conform to generally accepted accounting principles for local governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of accounting - The accrual basis is used for all fiduciary and proprietary funds. Governmental funds use the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- a. Disbursements for inventory items (materials and supplies) are considered expenditures when purchased.
- b. Prepaid expenses are not normally recorded.

General fixed assets - The Town instituted general fixed assets accounting as of December 31, 1979. However, historical cost records were not readily available for most assets. Therefore, the assets were stated on the following basis:

Land - Independent appraisal in 1974 increased by 41% to reflect current values.

Buildings - Independent appraisal in 1973 increased by 58% by insurance company to reflect current replacement cost. Assets acquired subsequent to appraisal are shown at estimated cost, plus a percentage, to reflect current replacement cost.

Furniture, fixtures and equipment - Estimated current values.

Vehicles - Estimated original cost.

Acquisitions subsequent to 1979 have been recorded at cost.

Property, plant and equipment - Fixed assets in the proprietary funds are stated at cost. Depreciation has been provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

|                                      | <u>Years</u> |
|--------------------------------------|--------------|
| Water -                              |              |

TOWN OF PETERBOROUGH  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 1983

Investments - Investments are stated at cost.

Continuing appropriations - Appropriations for certain projects and specific items not fully expended at year end are carried forward as continuing appropriations to the next year in which they supplement the appropriations for that year. At year end, continuing appropriations are reported as a component of fund balance and are detailed as follows:

|                                    |                 |

Taxes collected for others - The Town collects taxes for ConVal Regional School District and Hillsborough County which are remitted to them as required by law. These funds are accounted for as agency funds.

Interfund transactions - During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services, construct assets and service debt. The accompanying governmental and fiduciary funds financial statements reflect such transactions as transfers.

Proprietary funds record operating subsidies as other income, whereas the governmental fund paying the subsidy records it as a transfer.

Property taxes - Annually, the Town establishes an amount for abatements, discounts and refunds of property and resident tax revenues known as overlay. All abatements, discounts and refunds are charged to overlay. Overlay is included under the classification of general government in the financial statements.

As prescribed by law, the tax collector sells, at tax sale, all uncollected property taxes in the following year after taxes are due, where applicable. The purchaser, at tax sale, has a priority tax lien on these properties and accrues interest at 18% per annum. Delinquent taxpayers must redeem property from tax sale purchasers.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If property is not redeemed within the three-year redemption period, the property is tax-deeded to the lienholder.

Retirement system - The Town provides for pension benefits to substantially all full-time employees through a contributory system under New Hampshire law. The law prescribes the formula for computing pension benefits and presently does not permit advance funding of pension liabilities. Pension benefits are paid from Town funding and employee contributions based on date of entry. Pension expense for the year ended June 30, 1983, the latest year end of the New Hampshire retirement system, was \$31,914. There is no unfunded past service liability and the value of vested benefits has not been determined. The date of the last actuarial report on the New Hampshire retirement system is June 30, 1979.

2. Purpose of funds and account groups:

The Town reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the Town and the services provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

A. Governmental funds -

These funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.

General fund - Used to account for all revenues and expenditures which are not accounted for in other funds or account groups.

Special revenue funds - Used to account for specific restricted revenues and expenditures for various purposes. Receipts and expenditures of each fund are governed by the terms of contractual agreements, statutes or local law.

B. Proprietary funds -

Enterprise funds - These funds account for operations of entities that provide services on user charge or other basis to the general public.

C. Fiduciary funds

Trust and agency funds - These funds are used to account for assets held by the Town in a fiduciary capacity for various purposes, including cemetery operations and taxes collected for other governmental units. Receipts and expenditures of each fund are governed by statutes or local law.

8. Contingencies:

In February, 1980, a former police officer brought suit for \$250,000 against the Town and the police chief, primarily for reasons of sex discrimination. In the Town counsel's opinion, the financial liability of the Town will be minimal, if not nonexistent.

TOWN OF PETERBOROUGH  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 1983

A local business filed a property tax abatement request for approximately \$30,000 for each of the tax years ended March 31, 1979, 1980, 1981, 1982 and 1983. The selectmen denied the request and the matter was appealed in court. In 1983, a \$24,360 abatement was granted for the years 1979 through 1982. The 1983 tax, reflecting the results of adjustments to earlier years, was paid as billed.

The Public Service Company of New Hampshire (the Company) has filed petitions for abatement of taxes with the Board of Tax and Land Appeals of the State of New Hampshire for the tax years beginning April 1, 1981 and 1982. A similar appeal may be filed for the tax year beginning April 1, 1983, since the abatement request has been filed with and denied by the Board of Selectmen. The Company has paid taxes of approximately \$60,000 to the Town in each of these years and is requesting an abatement of approximately one-half of that amount.

**REPORT OF SUPERINTENDENT OF PUBLIC WORKS  
RELATIVE TO ADMINISTRATION OF**

Town Office  
Highway Department  
Water Department  
Sewer Department  
Engineering

Town House  
Trees & Forests  
Parks  
Cemeteries  
Solid Waste

The following is a brief report of the Departments that I have administered during the past year.

**Highway Department**

Nineteen Eighty-Three saw the completion of the rebuild of downtown streets.

Grove Street, School Street, and Depot Street were "rototilled," regraded and resurfaced, eliminating the potholes and poorly drained quality of the street.

The new smooth surface is befitting the image of "Our Town."

The department was also called upon to demolish the former Bishop Apartments on Grove Street, leaving in its demise a pocket park for the enjoyment of all.

A much needed overlay was applied to the Summer Street sidewalk, eliminating a rough and dangerous condition.

Vandalism continues to plague the Town as many signs were damaged or stolen. The Town Christmas Tree and another tree in Putnam Park were also cut down by vandals.

Needs for the Department of Public Works for the coming year are two additional laborers and a one ton dump truck. The Town continues to grow and spread out. The additional personnel, the first in fourteen years, are required to maintain the existing service level.

**Water Department**

The Summer Street Well was put on line in January as a result of the contamination of the South Well.

We were fortunate to have this Well as the North Well was down for three days due to a burned out motor.

The old (circa 1895) water main on Grove Street was replaced prior to the downtown street rebuilding project.

There were nineteen new water services installed during 1983.

**Sewer Department**

Routine maintenance was the norm for the past year.

There were five new sewer services installed in 1983.

**Solid Waste**

The balefill disposal method continues to be successful for the Town.

In addition recycle sales picked up during the year with total sales amounting to \$13,160.00.

Forty-six percent of all refuse coming to the facility was sold which is also a new high.

The Town as mandated by legislation has joined the Contoocook Valley Solid Waste District along with Hancock and Sharon.

**Trees and Forests**

Forty-one dead or hazardous trees were removed during the year.

Three new Norway Maples were planted.

**Town Office**

The Town Office came through semi-annual tax billing and the computer age with no complications.

We are enthusiastically looking forward to placing the balance of Town business on the computer.

### **Town House**

The Town House renovations are complete and there are plans to spruce up the Upper Hall during the coming year.

The heating system still needs attention and it is hoped that 1984 will be the year.

### **Parks and Cemeteries**

The parks and cemeteries were well maintained by Bud Grant and crew during the year.

Hans Kaufhold has been retained to rehabilitate the tombstones at the Old Street Road Cemetery. This work will restore the dignity to the original burying ground.

There were forty-three burials performed during the year.

In conclusion, I wish to express my appreciation to the Selectmen, my office staff, Thelma Turner, Becky Baldwin, and Deanna Atkinson; my foremen, Pete Deiana, Howard Parker, and Tom Weeks; fellow department heads, and to you our valued citizens, for your continued support and encouragement during the past year.

Respectfully submitted,  
John N. Isham  
Superintendent of Public Works

## **PETERBOROUGH CODE OFFICE REPORT**

**1983**

This year has been one of firm steady growth in the number of building permits and their valuation.

Several of this year's houses were built on speculation and sold before finished.

Sign permits indicate that the Town has twelve or more new retail outlets.

The figures in this report seem to indicate that local business is on the upswing and that Peterborough is indeed a "Good Town" to live in.

My thanks to the Town Hall staff for their patience and generous help.

Respectfully submitted,  
Charles R. Brown  
Peterborough Code Officer

## REPORT OF THE BOARD OF ADJUSTMENT

The Peterborough Board of Adjustment considered 36 cases during 1983, of which 25 sought special exceptions, 7 requested variances, 2 represented appeals from administration decisions of the Peterborough Building Inspector, and 2 were reviews of parking plans.

A special exception permits the use of property for a purpose specifically designated in the Zoning Ordinance and is granted in cases where the Board determines that the use will not adversely affect other neighboring properties and will be consistent with the overall character of the respective zoning district. A request for a variance asks the Board to permit a use that is not provided for in the Zoning Ordinance at all, and usually requires the applicant to show that some undue hardship will result unless the variance is granted.

There were 7 applications considered with respect to property in the Family District, all of which requested special exceptions. Six of these applications were for permission to conduct customary home occupations, and the Board granted all but one of them, permitting an antique shop to be operated in a barn, allowing a woodworking shop and expansion of a metal working shop, permitting the design of dried flower arrangements, and allowing a computerized typesetting business. The only request the Board denied was for the leasing of stalls and boarding of horses, the Board feeling that such a use would have been more than merely incidental and accessory to use of the premises as a residence. The only other request involving the Family District was approved to permit the conversion of an existing motel and boarding house to use as business offices.

Nine applications concerned property in the General Residence District, 7 of which were for special exceptions, one for a variance, and one appeal from an administrative decision of the Building Inspector. The Board granted all of the special exception requests, allowing customary home occupations for a computer applications training service, a private investigator's office, and permitting the expansion of a nonconforming home auto repair business. Also granted as special exceptions were requests to add an additional office at the radio station property, to convert a nonconforming use to a computer sales office, and to enlarge a local automobile dealership. The final special exception was granted to a real estate developer for the construction of apartment units on property located in West Peterborough. The only variance request was for a sign larger than the allowable square footage and it was denied. Finally, the request by Peterborough Industrial Development Corporation for relief from the denial of its building permit request was temporarily postponed pending receipt by the Board of an opinion from counsel concerning various technical legal issues.

The Board considered 3 requests for special exceptions in the Rural District, granting permission to the radio station to install an additional antenna at its present antenna site in South Peterborough, and allowing a microcomputer repair business to be conducted as a customary home occupation. A request by Peterborough Industrial Development Corporation for approval of a manufacturing use on premises located in North Peterborough was indefinitely postponed pending receipt by the Board of more specific information concerning the nature of the manufacturing use to be conducted on the property. Variances were granted to two applicants to permit the creation of subdivision lots with less than the required frontage and acreage, and one appeal was granted from a denial of a building permit to allow the construction of a dog breeding, boarding and grooming facility. Finally, the Board considered and approved parking plans for a new church to be constructed in West Peterborough, the second application being a revision of the first.

In the Commercial District, the Board granted all 7 requests for special exceptions, approving 2 pizza restaurant locations, allowing a mold-making shop and a pipe cutting and threading shop, permitting seafood and used car businesses, and ruling that the parking requirements for a new fitness center had been met. Three variance requests were granted, all of them involving relief from the required setback requirements. The only other variance request was for off-

premises directional signs, and this was denied on the ground that the Zoning Ordinance makes no provision for such signs.

The Board received only one application concerning property in the Industrial District, and this was a request for a special exception to permit construction of a new fitness center on property located in South Peterborough. The application was approved, and the Board established the applicant's parking requirements, as well.

In making its decisions during 1983, the Board attempted to apply and interpret the Zoning Ordinance in a consistent manner. Except in extraordinary cases, variances of use restrictions were denied, while variances of setback, frontage and other such dimensional requirements were granted where reasonably necessary and appropriate. The Board continued to grant special exceptions, often subject to numerous conditions, where it deemed that the spirit and intent of the Zoning Ordinance could be preserved.

#### **SELECTMEN'S REPORT**

Nineteen Eighty-Three closed quietly with Town problems and budgets under control. Once again a modest surplus was achieved thanks to the diligence of each department. The last several years have seen Peterborough adjust to significant reductions in Federal and State revenue. These reductions have been absorbed with minimal effort on the tax rate and no change in the services rendered. The transition to twice a year tax collection has alleviated what was an increasingly severe cash flow problem.

Last year saw the initial smooth transition to a computer service for tax billing purposes and it is planned in 1984 to convert all Town record keeping to off-site computers but with on-site terminals and keyboards. This much needed improved system should have numerous advantages for most departments at a modest cost to the Town.

With effective department managers and able administrative assistance, the Selectmen see no need for reorganization or the Town Manager form of government at this time.

## 1983 PLANNING BOARD REPORT

Not since 1917 has a new church been built in Peterborough. The Planning Board in August, following several public hearings, voted site plan approval for Trinity Evangelical Church to build the first phase of a religious complex on land off Route 101 West near the Dublin Town Line. Approved were two buildings for use as church classrooms, fellowship hall, and temporary sanctuary. They will be ready for occupancy in the Spring of 1984.

The Board spent considerable time considering two applications for health centers in South Peterborough. Both received Board approval. RicNick's is presently under construction on Route 202 South near New Hampshire Ball Bearings, Inc. The other applicant, Colony Fitness, Inc., did some site work in the Fall on land on the Sharon Road, off Route 202 South. The Board understands, however, that the health center project has been abandoned.

Housing approvals included a 24-unit rental apartment complex in West Peterborough to be built in 1984; three and four-lot subdivisions on Middle Hancock Road, eight lots on Cheney Avenue and Old Street Road, and four on Old Greenfield Road. Applications awaiting approval include four lots on Summer Street and MacDowell Road, 12 sites on Old Greenfield Road, six on Wilton Road, and new plan for 24 apartments for the elderly off Mercer Avenue.

No zoning changes were made this year. An ordinance to regulate use of land for aircraft purposes was defeated at Town Meeting 559-359. The Board is proposing no amendments for 1984.

Three new members were appointed to the Planning Board by the Selectmen. Jeffrey Crocker, an attorney, was named to a five-year term. Donald Harris was appointed as the Board's first alternate member. He later was appointed as a regular member upon the expiration of the term of Jere T. Morris. Dr. John Patterson, a physician, was chosen as the Board's alternate member.

All Board meetings, which are usually held the third Monday evening of the month, are open to the public, and as we have written in previous reports, persons interested in how this function of town government works are encouraged to attend and participate in the discussions.

Respectfully submitted,  
Richard R. Fernald, Chairman  
Paul C. Cummings, Jr., Vice Chairman  
Mary N. Emery  
Joachim W. Wamser  
Jeffrey R. Crocker

### Summary

When Officer Iannazzo resigned from the Peterborough Police Department in December, 1982, the decision was made to deploy the remaining officers to maintain the services rendered to the Town of Peterborough with seven (7) officers instead of eight (8). This reduction in manpower enabled us to hold the 1984 budget increase down to 2¼%.

The figures presented in this (1983) Annual Report indicate we have increased our efficiency and effectiveness with a 15% reduction in manpower. We are proud of this accomplishment and invite your comments and suggestions.

You will notice that reports of suspicious persons and motor vehicles were down by 15% and 70% respectively. Please report any suspicious activity as soon as you see or hear it. We will keep your identity confidential and together we can cut the crime rate down again in 1984.

I wish to take this opportunity to thank all the people and departments for their support and assistance in the past year.

Sincerely,  
Joseph V. McCarthy  
Chief of Police

## REPORT OF THE PETERBOROUGH FIRE DEPARTMENT 1983

The year 1983 was a very sad one for the Peterborough Fire Department with the death of our popular first deputy, Jere Morris. We miss him very much as well as everyone does that knew him. His shoes will be hard to fill.

Fire calls for the year increased over 1982 but we ended the year financially better in 1983 than 1982. In 1982 we had a total of 140 calls compared to 185 calls in 1983. The break-down of calls is as follows:

|                   |                     |
|-------------------|---------------------|
| Structure — 5     | False Alarms — 31   |
| Chimney — 39      | Alarm Malfunct — 25 |
| Brush — 5         | Gas Wash/leaks — 11 |
| Mutual Aid — 18   | Misc. — 16          |
| Auto Fires — 5    | Auto Accidents — 24 |
| Smoke Invest. — 6 |                     |
|                   | <hr/> Total — 185   |

Chimney fire calls were up but we think the weather was the cause of this. Also we are finding people are not as conscientious as in the past about cleaning of chimneys and also cleaning the stove pipe from the stove to the chimney. We have had several calls of houses full of smoke and it proved to be a plugged pipe inside the house. Another increase was auto accidents from 14 to 24. However, in spite of the increased calls the time duration per call was much lower than 1982. Our personnel remains the same as a year ago with a couple men leaving and new ones coming on.

The calls for our ambulance increased in 1983 from 370 in 1982 to 399 this year. As we mentioned in the fire report our auto accidents increased by ten so this would reflect in more ambulance calls. As was stated in last years report through the cooperation of everyone such as the hospitals, doctors, nurses, nursing homes we have been able to keep the ambulance calls under control. We are strictly an emergency ambulance and hope to continue our fine service in this category. We just do not have the staff to take care of all non-emergency calls. However when you have an ambulance budget of around eighteen thousand dollars and you are taking care of all emergencies in six towns we don't think you can do much better than this with a volunteer crew, and we take off our hats to this outfit.

Once again this time of the year we wish to thank each and everyone that made our work that much easier the past year. We have spent quite abit of time on our budgets and have tried to make them so we could all live with them, and still maintain our equipment and service to the public. The statement has been made in the past many times you don't become a volunteer fireman to make money you do so because someone needs help. We do wish to thank the voters who have continued to support us in the past and we will respond to the best of our ability. Thanks again and may we have your continued support.

Dennis Cilley, Deputy

## LIBRARIAN'S ANNUAL REPORT, 1983

The library is more than books; it is information, multi-media and programming. Pre-school story time is held during the school year. Our After School Film Specials proved so popular that Children's Librarian Joan Butler had to move the group from the small hall into the large one. "Paperbacks in the Park" was done in cooperation with the Recreation Department at Adams Playground. Our Summer Reading Program culminated with the awarding of certificates in August. Dan Grady performed songs, dance, puppetry and mime to a standing-room-only crowd. Heavy rains failed to dampen the spirit of the day.

Adults joined the Friends of the Library at their monthly Brown Bag lunches, where a variety of speakers entertained with prose, poetry, and anecdotes on education, travel and adventure. On the last Tuesday of each month, a group of area residents meets to discuss works of fiction. A lively exchange of ideas ensues about the work, the author, and their times.

Staff member Betty James brings films and books to residents of town nursing homes while Judy Garabrant offers book service to the homebound. Any citizen of the community who is blind or handicapped may sign up for the Talking Book Program through Ann Geisel, the Library Director.

Perhaps the biggest event of the year took place on April 9, 1983, when the Library celebrated its 150th Birthday. Balloons announced the Open House; Jonathan Strong presented a slide show of the library's history; Fritz Wetherbee served as enunciator at the old-fashioned spelling bee; the Con-Val Band played; and Friends of the Library baked and served cake to an appreciative crowd. A "friend" made a birthday gift of a new public address system, which was used at the party.

Mr. George Grimshaw made interlocking blocks and a handsome case to house them; his gift has proven a popular diversion for children of all ages.

The Friends of the Library presented the Librarian with a check for \$1,500, and another anonymous donation of \$2,500 allowed the construction of a lavatory and cloak room in the large hall, and the carpeting of the lower foyer. Clark Harrison made Shaker pegs for the cloak room.

Books are a library's *raison d'être*, and we added a record-breaking 1,629 to the collection. This is due in part, to the generosity of library patrons who donated many books, 509 of which entered the collection. We circulated 65,003 pieces of material. Nonfiction is still the most popular, but fiction is nosing its way up. In July, the Northeast Document Conservation Center surveyed our library's building and collection. The resulting report offered suggestions for the preservation of library materials.

Increasing demands for taped books saw their addition to the circulating collection in October. In November, we offered two Polaroid cameras for loan, part of that corporation's "Check It Out" program to put free cameras in public libraries. And Santa left two Timex-Sinclair 1000 computers under our tree to share with our public. We want everyone to feel comfortable with computers. To this end, all full-time staff attended sessions on computers and on-line data bases at the New Hampshire State Library. This is in preparation for the State Library's going on-line in early 1984.

Machines may automate us, but people make the library tick. Linda Tiernan, Librarian at Monadnock Community Hospital, filled the position of cataloguer vacated by Ellen Hardsog. Margaret Priest, retired Jaffrey Librarian, assists Annagreta Swanson and Betty James part-time at the Circulation desk. Warren Johnson joined our Board of Trustees following his election at Town Meeting.

Volunteers help us in innumerable ways. First, we have the Friends of the Library who organize the Brown Bag lunches and sponsor the Annual Book Sale (with a special thanks going to Dece Lambert and Gif Russell for chairing that event). Other Friends come each week to mend books. They are Helen Harrison, Eleanor Proudman, Connie Quick and Ruth Young.

Faithful assistants who are called to help with our newsletter are Babs Evans, Eleanor Proudman, Robert Richardson, Virginia Richardson, Nancy Russ and Bibs Whitney. Vincena Powers does a myriad of tasks each Wednesday for us; she comes to us courtesy of the RSVP Program.

The combined efforts of Trustees, Staff, Friends and Volunteers have made this a most successful year.

Respectfully submitted,  
Ann Geisel, Library Director

### **REPORT OF THE WELFARE OFFICER**

A total of twenty individuals and families were assisted during 1983, an increase of 7 cases over 1982. Eight of these 20 cases were single parents families, who were A.F.D.C. recipients or with applications pending with the N.H. Division of Welfare. The elapsed time between initial applications with the State, and the final approval and receipt of the first assistance can range from 30 to 45 days, even when all information is readily available, and personal records are in order. In the meantime some local assistance must be supplied.

As in previous years some of these requests have been assisted through the Food Bank Account, generously supported by the Congregational Church, and the "Crop Walk for Hunger," sponsored by the Monadnock Area Churches. The Serendipity Shop of All Saints Church has been most helpful in providing badly needed clothing for a family.

Thanksgiving and Christmas baskets were again provided through this Office by the Rotary Club, and a generous contribution from the Congregational Church was also received for these holidays.

Under the sponsorship of the Monadnock Business & Professional Women's Association, with the use of the Cheney-Armstrong Post American Legion facilities, Operation Santa Claus was a success, and everything distributed in time despite most unfavorable weather. Many thanks to those who made personal and financial contributions to this program, and to the local Sears catalog store for donating toys.

\$670.72 were distributed from "Common Trust D funds" for Christmas and \$180.68 from "Trust D" Overseer of Welfare fund for distribution.

Local Communities are still being burdened with the cost of board and room and related services for Court Ordered Placement of Juveniles. The Committee, authorized by the 1981 legislature, made its report and proposed legislation was considered by the 1983 legislature. As so often happens, the House passed the legislation but the Senate in its lack of wisdom, sent it to the Interim study. As a result no laws relating to the costs of Juvenile Placement, and all other local obligations for Human Services have been changed.

## **REPORT OF THE PETERBOROUGH CONSERVATION COMMISSION 1983**

The function of the Conservation Commission is to help protect and enhance the natural environment of the town, with special emphasis on dredge and fill activities in or abutting wetlands areas. In 1983 it continued to review all such applications to the State Wetlands Board. In one case it was prepared, with the Selectmen and Planning Board, actively to oppose an application had it not been withdrawn.

Under a recently-enacted state law, the Conservation Commission has been given responsibility for reviewing all wetlands in the town to determine whether an ordinance to specifically protect "prime" wetlands should be presented to Town Meeting. It may be that such action will become desirable in the future. However, Peterborough is fortunate in that substantial acreages of obvious prime wetlands along 202 North have already been given to the town, and that thirty more such acres were added in 1983. Peterborough is also fortunate in having an ordinance ensuring maintenance of a 100-foot Conservation Zone along town wetlands and streams.

Another area of Commission concern is that of proper control of removal of gravel and restoration of land, as required by state law, for improper mining of gravel can have a devastating environmental impact.

In all its concerns, however, the Commission itself has no powers of enforcement. It can only report apparent violations to the Selectmen with recommendations for possible action.

The Commission, moreover, cannot itself be aware of all possible unauthorized dredge, fill or mining activities. It, therefore, asks all citizens who may have any question about any such action taking place to either inform a commission member of the Selectmen's office so that proper investigation can take place.

During 1983, the trail through town-owned lands from Old Mountain Road to the top of North Pack Monadnock was completed with active help of BSA Troop 808 and with substantial contribution of time and supervision by commission member Lee Baker. The Commission proposes that this interesting way of climbing the mountain be named the Fairfield E. Raymond Trail, in recognition of Mr. Raymond's long and devoted service to conservation interests of the town.

Continuing members of the Commission were very pleased with the appointment of Cynthia Martell to the Commission to fill the position made vacant by Mr. Raymond's request to retire. With Mrs. Martell and Mr. Baker we now have young and enthusiastic participation by an active dairy farmer and a practicing conservationist, both deeply interested in the town's environmental future.

The Commission members are all deeply grateful to the Selectmen for their thoughtfulness in appointment Mr. Raymond to an Emeritus Membership on the Commission, in recognition of his outstanding service to the maintenance and enhancement of the environment of Peterborough.

## **REPORT OF THE TOWN HOUSE BUILDING COMMITTEE**

**1983**

The Town House Building Committee met on October 17, 1983 and concluded that no Special Warrant Articles would be required in the 1984 Town Budget for Town House Renovations.

We do strongly recommend, however, that the Board of Selectmen provide the necessary budget dollars to refurbish (paint, refinish floors, etc.) the Upper Town Hall, so that its full potential as a Town focal point can be realized.

The renovation items we considered, but deemed unnecessary or not currently cost effective, follow:

- Convert the present heating system to all hot water, including the installation of 3 separate zones. Deemed not cost effective at the present \$1.00 per gallon cost of fuel. A longer experience base, moreover, is required to realize savings on lowered insulated ceiling installed as part of Phase II of the renovation work.
- Build handicapped entryway into first-floor level of the Town Hall. No action taken at this time, considering the handicapped entry in the Upper Hall provided as part of Phase I of the renovation work.
- Repartition the first floor of the Town Hall, providing needed office space. We decided no action should be taken until the space requirements of the Court are finalized and the Selectmen advise that there is a definite need for more space.
- Refurbish Upper Hall restrooms and provide first-floor restrooms for Town employees. No action can be taken in this area until lower level repartitioning is accomplished (see above), since this is an interrelated project.

As a result of the above recommendations, we have basically put ourselves out of work as a Committee and do, therefore, tender our resignations until such time as we are called to serve again.

We are very proud of the renovation work which has been accomplished over the past two years and would like to express our appreciation to the Town House Study Committee, which formed the "building blocks" for the work which has been accomplished.

In closing, we recommend that the Board of Selectmen reappoint a Town House Building Committee when the need arises and urge that sufficient funding be provided to properly maintain the Town House in a condition representative of the pride of its citizens.

Very truly yours,  
T. Jeffrey Temple  
Chairman, Town House  
Building Committee

## **REPORT OF THE COIN-OPERATED AMUSEMENT DEVICES COMMITTEE**

**A review of the need for an ordinance to control coin-operated amusement devices.**

**Purpose:** At the Peterborough Town Meeting in March, 1983 the following Article 15 was passed: "It is proposed by the Selectmen that a committee of five be appointed by the Moderator to review the need for a proposed ordinance to control coin-operated amusement devices, hold hearings, and propose recommendations to the Selectmen."

**Committee:** In June, 1983, Town Moderator Walter Peterson appointed five individuals to serve as members of the Committee. The membership consisted of the following Peterborough residents:

William McGarry, Chairman  
103 Currier Avenue  
924-7230

Richard Ellis  
Sand Hill Road  
924-9098

Laural Levy  
High Street  
924-9977

Harold Smith  
Main Street  
924-6444

Edwin Young  
Maple Avenue  
924-6247

Due to the death of Mr. Smith, Chairman McGarry requested Moderator Peterson to appoint a replacement for Mr. Smith. Consequently, Mr. Peterson appointed:

Jon Toko  
23 Taylor Road  
924-6014

**Meetings:** The Committee met to discuss its role at the home of William McGarry. In attendance at the meetings were all members with the exception of Jon Toko. Discussion centered upon the need for an ordinance. Based upon a lack of comment directed to committee members, the Committee felt that there appeared little need for an ordinance to "control" coin-operated devices. However, it was determined that a public hearing would be held.

**Public Hearing:** A public hearing was held Thursday, September 15, 1983, at 7:30 p.m. in the Town House. This meeting was announced in both of the local weekly newspapers. At the hearing, all members of the Committee attended with the exception of Mr. Young. One individual, Robert Grip, attended for the Selectmen, and one member of the public testified. Only two other individuals were in attendance — both from the local papers.

The one member of the public stated that he felt that the establishments in Peterborough were doing a good job, but he was concerned about "look-alike" drugs. While this problem has not occurred in the establishments in Peterborough, it was requested by Citizen James Grant that if an ordinance were to be drawn up, it should include a section banning "look-alike" drugs from these establishments.

**Recommendation:** The Committee submits that there exists no evidence to indicate that an ordinance is required to control coin-operated amusement devices.

Respectfully submitted,  
W. McGarry, Chairman  
R. Ellis  
L. Levy  
J. Toko  
E. Young
